 - d- Pre-Clinical Complete denture . .
 - e- Pre-Clinical Removable Partial denture
- 11- Member of program specification committee for Faculty of Dentistry , Najran University ,KSA .
(2013)

Publications:

- 1- Effect of different impression techniques on masticatory performance and electromyographic activity in mandibular distal extension partial dentures. Mohamed Helal, Abdel-Naser Emam, Mohamed Sobhy Mohamed, Ihab Abdul-Haleem , Maged Gaber. Al-Azhar Journal of Dental science. April 2010.
- 2- Effect of of Different Post Curing Methods on Removable acrylic Appliance . Abdel-Naser M. Emam , Ramadan Abu-Shahba. . Al-Azhar Journal of Dental science . Jul. 2009.
- 3- The Effect Of Using An Ear Face-Bow On Complete Denture Occlusion .Magdy M. Badawy , Osama A. Baraka , Abdel-Naser M. Emam, Mostafa I.Fayad. Al-Azhar Journal of Dental science. April 2008.
- 4- Effect of using different curing methods on water sorption and solubility of repaired acrylic resin denture base materials. Mohamed M.Gad , Mohamed A.M. Helal , Abdel-Nasser Mohamed Emam , Mohamed I Seif Elnassr . . Al-Azhar Journal of Dental science. Jan. 2009.
- 5- Impact strength, microhardness and porosity of denture resins reinforced with polyethylene fiber. Ayman S. M. Fateen, Abd El-Naser M. M. Emam, Mohamed S. Ali, Mohamed I. Seif El- Nasr. Al - Azhar Journal of Dental science. Jan. 2009.
- 6- Effect of incorporation of polyethylene fibers on the flexural strength of acrylic resin denture base materials. Ayman S. M. Fateen , Abd El-Naser M. M. Emam , Mohamed S. Ali , Mohamed I. Seif El-Nasr. Al-Azhar Journal of Dental science . Oct. 2009.
- 7- - Effect of the microwave and reinforcement of repaired acrylic resin on some mechanical properties. Mohamed M.Gad, Mohamed A.M. Helal , Abdel-Naser Mohamed Emam & Mohamed I Seif Elnassr . Al-Azhar Journal of Dental science. Jan 2009.
- 8- Effect of different disinfection and sterilization methods on the accuracy and viscoelastic behavior of rubber base impression materials. Abdel-Naser Mohamed Emam, Mohamed A.M. Helal. . Al-Azhar Journal of Dental science .Oct. 2005.

Current Research:

- The Correlation Between The Nose - Chin Distance And Other Measurements Used For Determining Vertical Dimension Of Occlusion

- Study of gamma attenuation during radiotherapy treatment of maxillofacial tumors.
- . Palatal Rugae pattern , lip prints and their roles in Forensic Odontology in Najran area.
- Novel Dental Pharmaceutical Formulations: Bioavailability and Clinical Studies (Phase I)

Thesis Supervision:

- 1- Comparison between one and two symphyseal implant retained mandibular overdenture , Mohamed e. sanad, Abd El-Naser M Emam , Mostafa m. Abdel gany . Doctor's Degree thesis. 2007. Candidate name: Mohamed A. Ahmed.
- 2- Effect of different tooth form and position in complete mandibular overdenture. Magdy M. Badawy , Abd El-Naser M. Emam , Mohamed I Seif Elnassr , Doctor's Degree thesis.2007. Candidate name:Yaser A. Baraka
- 3- The effect of incorporation of polyethylene fibers on some properties of acrylic resin denture base material ., Abd El-Naser M. Emam , Mohamed S. Ali , Mohamed I. Seif El-Nasr. Master Thesis 2007., Candidate name: Ayman S. M. Fateen
- 4- Effect of different curing methods on the physical properties of repaired acrylic resin., Mohamed A.M. Helal , Abdel-Naser M. Emam , Mohamed I Seif Elnassr. Master Thesis, 2009 Candidate name: Mohamed M.Gad
- 5- The effect of using an EAR face bow on complete denture occlusion. Magdy M. Badawy , Osama A. Baraka , Abdel-Naser M. Emam,.. Master Thesis, 2008. Candidate name: Mostafa. I.Fayad.
- 6- Evaluation of different supporting designs for class I removable partial denture. Hafez El-Bahnasawy, Mohamed Sobhy Mohamed and Abdel-Nasser Emam.. Master Thesis, 2010 Candidate name: Ayman Taher Abdul-Rahman.
- 7- Evaluation the effect of complete mandibular overdenture supported by implants natural abutment on the supporting structure. Mohamed I. Seif El-Nasr , Mohamed S. Ali , and Abdel-Nasser M. Emam . Master Thesis, 2007 Candidate name: Ahmed g. ali.

Conferences

- 1- 4th Alexandria International Dental Congress, Attendance) 1995 Egypt.
- 2- 12th Alexandria International Dental Congress (Attendance) 2000. Egypt.
- 3- 13th Alexandria International Dental Congress, 2002. Egypt.
- 4- The 11th International congress of Egyptian dental association. 2003. Cairo, Egypt
- 5- The 2nd Arab international dental congress (Attendance) 2005, Cairo, Egypt.
